++ Valid for broadcast between 1800 and 0600

Headline:
Showers in the west, drier in the east on Monday.

This Evening and Tonight:
Showers or longer spells of rain will push southeastwards through this evening and overnight. Behind this, during the early hours, scattered showers will remain in the west but turning largely dry and clear in the east.

Monday:
Scattered wintry showers will continue in the north and west, with largely dry and fine conditions in the east, but a band of showery rain will affect southern parts later.

Outlook for Tuesday to Thursday:
Largely dry and fine through Tuesday and Wednesday, aside from a few showers in the far north at first. Turning windy with rain and snow possible on Thursday.
